THE GROVE

ROBERTS - DOFANTASY.COM

INTRODUCTION

One of the darkest secrets of America’s powerful elite is a beautiful forest resort in Northern California known as The Grove. Owned by a private club of the world’s most rich and powerful, every year it hosts a week long celebration of hedonism, idol worship, and unrestrained sexual perversion. The rich men of the Earth gather to renew their vows to their Satanic Gods, plot strategies for Global domination, throw off all humanity and conscience, and party like the evil pagan Demons they really are.

A secret force of heavily armed security ensure complete privacy at the retreat, and a selected staff of the most experienced sex slave traders and trainers provide new live toys for the sinister gatherings.

Young beautiful girls, from all over the planet, are captured and shipped in each year, like innocent lambs herded into a cage of vicious rabid wolves. After their first night of horrifying abuse at the hands of the drunken wild old rich men, they are turned over to the staff of full time trainers to be broken and reduced to obedient little sex slaves for future gatherings.

The Dungeons of the Grove are filled year ‘round with naked beautiful girls in training, all captured and held prisoner for the pleasure of these evil powerful perverts at the yearly summer celebration.

The sex, the bondage, the torment, the training, all go on without end, without mercy, non stop.
